Director Sri Sathya Sai Institute of ENT & Melody Voice Clinic, Guntur, A.P.  
 Emeritus Prof of ENT, GMC, Founder, The Association of Phonosurgeons of India.  
 Member, Voice Foundation and International Association of Phonosurgery

Dear Colleagues,

I have immense pleasure to invite you to participate in our 13th National Phonosurgery course (Basics and advanced) at Sri Sathya Sai Institute of ENT & Melody voice clinic, Guntur (Amaravathi), A.P., India on 28th July 2019.

The one day program includes didactic lectures and, live surgery demonstrations on basic procedures like thyroplasty and advanced techniques of office based laryngeal surgeries.

Office-based surgery provides patients with outstanding outcomes with a level of convenience and patient safety that is unsurpassed

We also offer to the delegates Hands on thyroplasty dissection and laryngeal injection techniques (Goat Larynx) which are optional

Sri Sathya Sai Center for Voice Disorders, Guntur is located in Amaravathi, the Capital of New Andhra Pradesh state of India. It is the first center in India to initiate the sub-specialty of Phonosurgery in 1999. The center also had the credit of reporting the first successful case of Arytenoid Adduction technique for vocal cord paralysis from India in 2000. It is the first voice center in India to start office based Laser Laryngeal surgeries. in the year 2004. A center to report First Pediatric office based Vocal fold surgery in a youngest child of ten years from India and such case was not reported till now in the available literature. It has been recognised as a tertiary referral center in India for PHONOSURGERY for more than two decades in the management of Voice Disorders. The aim of present workshop is to share our knowledge in the field of phonosurgery with our colleagues and promote it to the younger generation.

Looking forward to see you soon at Guntur in July

For Fellowship in Phonosurgery
